Teaching School Alliance

Emily Guess

Assistant Head - Maths subject leader

Grange Park primary School

Areas of interest

Maths subject leader. Other areas of responsibility include Assessment, Teaching and Learning, Learning Environments, Line Manager for members of staff and MFL.

Specialism and expertise School MaST (Specialist Maths Teacher qualification)

Able to provide support in Mathematics to strengthen and build on school to school support. Happy to provide training on using visual images and resources to strengthen 'number sense' or in developing progressive calculation policies that work for your school. Also able to share practice and provide support in a coaching or mentoring role, as well as support in planning and assessment.
